Mr. Venia

Mr. Venia began student teaching in the fall of 1971 and was hired January of 1972 by the Marysville School District. In his 15 years of teaching, he taught physical education, weights and training, math and earth science. He became the Athletic Director in 1987 and did an outstanding job until he retired in 2003. Mr. Venia has coached many sports including football, softball, basketball, track, and baseball. While coaching, he has achieved two state titles in football and one in softball. He is also in the High School Football Coaches Hall of Fame. He attended Port Huron Catholic where he graduated with a purple heart for spirit and the religion award. While in high school, he was in the Varsity Club, on the highschool football team, and he was also a class officer. Mr. Venia was accepted to Michigan State where he played Lacrosse. In his spare time, he enjoys boating, golfing, and watching any sporting events. He has three children: Jamie, Roger, and Chelsey. One thing he did that he was very proud of was having the varsity athletes read for elementary students to promote the importance of reading. For his passion and dedication to the Marysville School District, the 2003-2004 yearbook is dedicated to Mr. Venia.

Left: "Hey girls, I thought we were supposed to decorate the float not Heather!?"

Below: Alex, Jessica G, Jesscia D, and Andrew show the closeness of the class of 2004!

We have managed to survive four years in high school. We have made new friends, explored new possibilities with our lives, and dreamed new dreams. Graduating is both exciting and sad; exciting because we are going to start a new path and sad because of the memories we leave behind. High school will soon be a memory in the back of our minds, but the one thing that meant the most to our existence. You may shed a tear to the past, but send a smile to the many memories we have made together as the class of 2004.

Above: Megan G, Lindsey, Megan M, and Kristin take time out of their busy schedules to pose for the senior page.

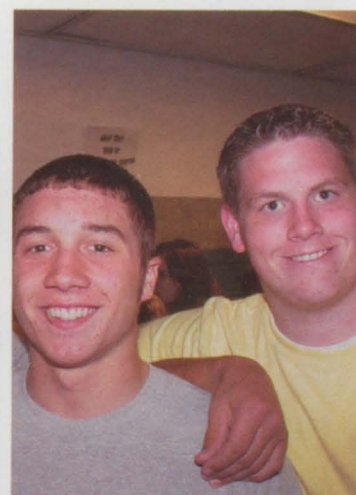

COOL THOUGHT

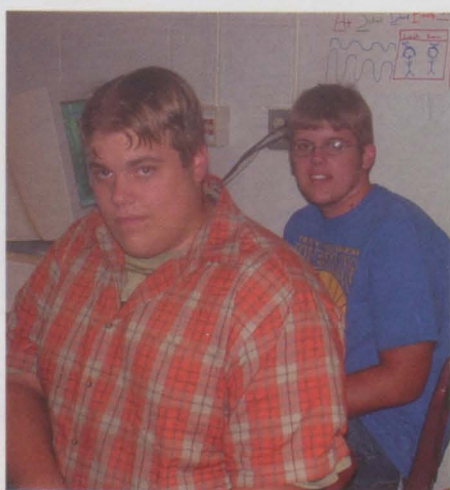

When you were younger, what did you dream about becoming, and do you still plan on becoming that?

When I was younger, I always wanted to be an archaeologist, but my parents told me I would have to be around bugs all the time, so I gave up in 8th grade. To this day, I hate bugs!!

CLASS SONG

Good Riddance By Green Day

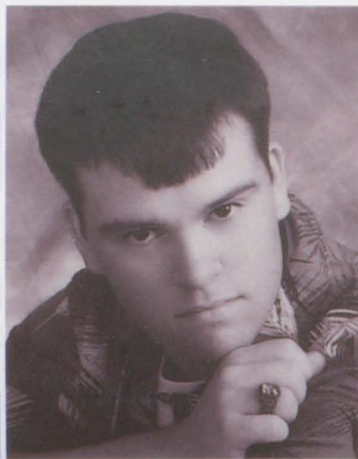

Another turning point
A fork stuck in the road
Time grabs you by the wrist
Directs you where to go
So make the best of this test and
don't ask why
It's not a question, but a
lesson learned in time.

It's something unpredictable, but in
the end is right
I hope you had the time of your
life.

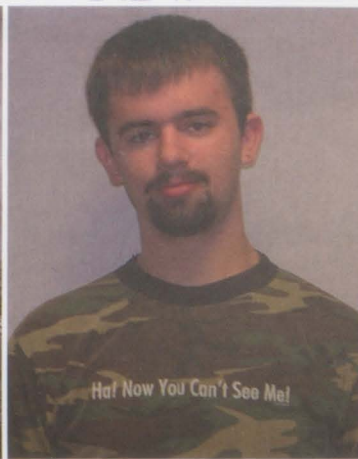

So take the photographs and
still frames in your mind
Hang it on a shelf of good health
and good time
Tattoos of memories and dead skin
on trial
For what it's worth, it was worth
all the while.

It's something unpredictable, but
in the end is right
I hope you had the time of your
life.

VALEDICTORIAN

Kristi Miller is the Valedictorian for the class of 2004! She is the daughter of Kevin and Kimberly Miller. Her plans for next year are to attend Georgia Institute of Technology on a full-ride tennis scholarship. She plans to major in International Business or Law. Kristi is graduating with a 4.3181 G.P.A. on a 4.334 scale. She was involved in many things throughout her high school career such as: class secretary her freshman year, class president her junior and senior years, and National Honor Society project chairperson her senior year. Kristi also was involved in the D.A.R.E. role model program, and she was a Save Sex leader. Her favorite part of high school was developing relationships with the students and teachers. She loved planning prom and class activities as well. Her favorite class in high school was Spanish, but she also loved her English classes. They introduced valuable and new literature and experiences. During her spare time, Kristi enjoys playing tennis and was ranked in the top 10 and won an individual state championship as a freshman. She also likes scrapbooking, reading, traveling, and meeting new people.

SALUTATORIAN

Leann Down is the Salutatorian for the class of 2004! She is the daughter of Steve and Kathy Down. In her spare time, she enjoys traveling, chess, music, working on computers, and going to amusement parks. Leann has had many accomplishments throughout high school such as: being a section leader for the Regiment, performing with the U of M marching band, and being invited into the Honors College at MSU. She also enjoys taking part in many activities including: Girl Scouts of America, giving music lessons to Junior High

students, People to People International, and Band. Leann enjoyed Biology with Mrs. Portenga, but her favorite part of high school was Band because it was the most memorable; It gave her a chance to do something so enjoyable she didn't even realize how educational it was until it came to an end. Her plan for next year is to attend the Honors College at Michigan State University.

The class of 2005 has accomplished so much in their three years. The transition to upper-classmen and the ability to park in the back parking lot are just some positives that come with being a junior. Taking third place in float building and dancing the night away at junior prom are only a few great memories that were captured this year. As they proceed to their final year of high school, may they have the time of their lives and live every moment to the fullest. Time will fly by and all they will be left with are the memories. We hope they enjoy their last years and remember to cherish every second. Thanks for everything juniors, and good luck next year!

In just one year, our sophomore class has totally transformed. We went from annoying freshmen to mature, cool sophomores. We have all had a lot of fun this year, and there will be more fun to come. Some great memories we have had so far include: getting first place in float building two years in a row, hanging out at football games, and dancing the night away at the homecoming dance. Next year, we will finally be upperclassmen. We will be able to drive, park in the back parking lot, and we won't even have to share lockers. Soon, we will be graduating, and we may never see each other again. Life moves pretty fast. If you don't stop and look around once in a while, you could miss it. Good Luck Class of 2006!

They will fall in and out of love and make friends and enemies, but most importantly, they are growing up. Freshmen just need to remember it's just high school, and they won't die. Good Luck!!!

Above: Justin and Heather smile and wave for the little kids.

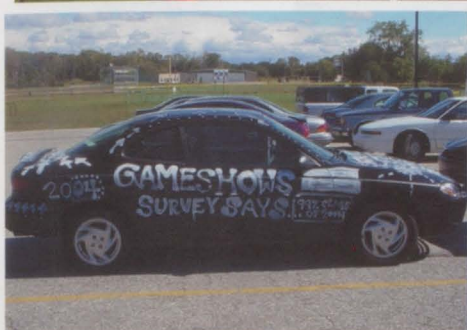

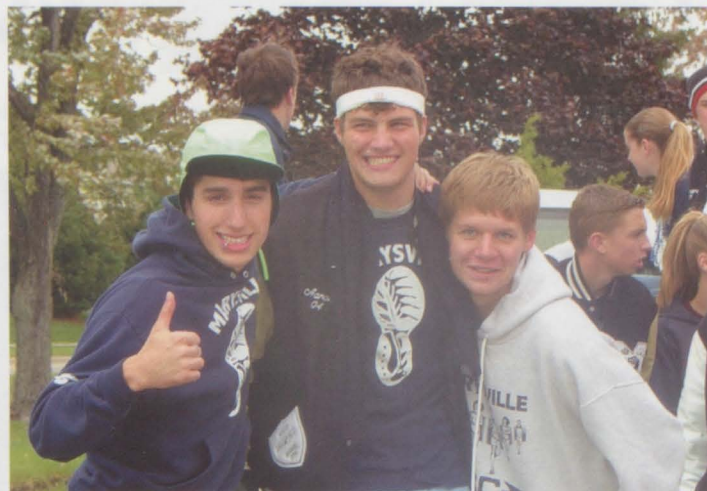

Below: Bob Barker (a.k.a. Kelly Malone) gets the crowd pumped up.

Marysville High School's Student Council decided the theme for Homecoming would be Game Shows. The students started the week out with dressing Tropical on Monday along with donating board games. Tuesday, the students did crazy hair and dress day. During lunch Tuesday, the students played Wheel of Fortune. On Wednesday, everyone dressed like students did back in the 80's. During lunch Wednesday, they had a pie eating contest. Thursday, everyone played the bead game in which no one is allowed to talk to the oppsite sex. During the day, there was a car decorating contest. Of course on Friday, they had blue and white day. To get everyone ready for the football game, we had a pep assembly, which was hosted by Bob Barker a.k.a. Kelly Malone. Throughout the week, the classes had a competition between them to see who could achieve the most spirit points. On Friday, the points were totaled, and the Seniors won the competition. Friday night, the Varsity football team faced off against South Lake and won 55 - 0. Kristy Vargo and Ryan Fox won the title of King and Queen for 2003, and Megan Harrison and Brad Fernandes (the king and queen from last year) gave them their crowns during the halftime presentation. The floats were judged Friday, and the sophomores and freshman tied for first. The juniors came in third, and the seniors came in fourth (they gave third to the juniors). After the football game, the homecoming dance went on until midnight with everyone dancing the night away to complete HOMECOMING OF 2003!!

Student Life

In the days of our high school years, we remember frolicking amongs the halls and mingling with our fellow students. We remember the jokes and laughs we have had though the years. We look back on the sporting events we attended wearing our bandanas and shirts to support our Viking team. Who can forget those late mornings when you barely make it to first hour before the first tone goes off? School is more than homework and early wake-up. It is a place where we made and lost friends, and a time in our lives when we could be stupid and laugh at ourselves.

"I remember making late night Timmy runs with my best friends."

Megan McGrath

"Dancing around just for fun with my best friend Megan McShane."

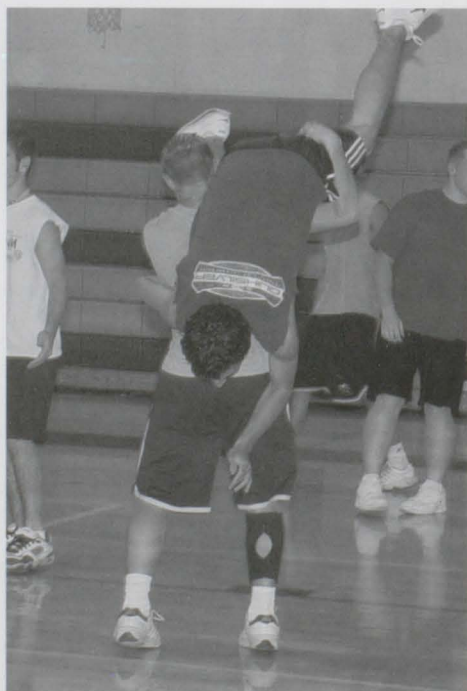

Cassie Majestic

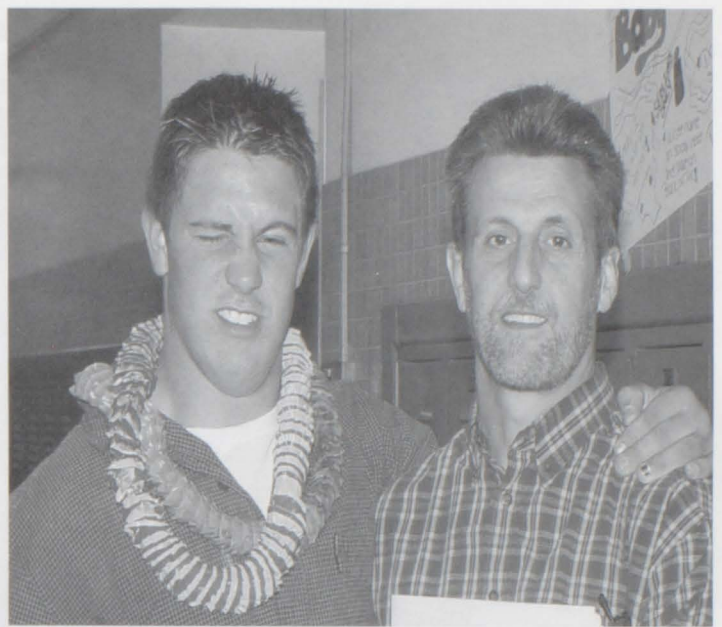

"I remember staying up all night playing video games."

Ryan Rix

"What is one of your favorite memories that you have had during highschool?"

In those precious baby times,
your first smile, first steps,
toddler days of curiosity and
adventure, we thought we
could never love you more.

But then you grew...

And in those little boy times,
full of making friends and
learning all about the world,
we thought we could never
love you more.

But then you grew...

And in these proud young
man times, times of

changes and challenges, of

But again, you've grown...
And still, day by day, you
keep growing more and

Class of 2004

A decorative border surrounds the page, featuring a repeating pattern of black graduation caps with tassels and grey streamers with small square cutouts.

To the graduating Class of 2004

Always remember your time in high school and the memories you made. Time goes by so quickly, and before you know it, you will have a career and a family, and you will wish for the free days of school again.

When you look back at the yearbook, we hope it brings a smile to your face and a warmth to your heart.

Thanks for the memories!

The image features a dark grey background. At the top, there is a stylized illustration of a notepad with lined pages and a pencil resting on it. The pencil is oriented horizontally, pointing towards the left. The notepad is partially visible, showing several lines of paper. The main content area is a white rectangular box with a black border. Inside this box, the word "Autographs" is written in a large, bold, black, sans-serif font. The text is centered at the top of the white box. The overall design is simple and clean, with a focus on the title "Autographs".

YEARBOOK

To My Staff:

First of all, I want to thank all of you for a job well done. You all should be proud of yourselves for your hard work and effort in making this year's yearbook a success. Most of you were new this year, and you caught on quickly, which was outstanding. I know that not everything ran smoothly all of the time, and the pressure was on all of you to make sure everything was perfect; I just want you to know that you all passed with flying colors. I am very proud of you and I thank you for keeping your sanity while I was on maternity leave. I know it wasn't easy, but you did a wonderful job. You're the best ~

Mrs. B.
